

TYPICAL PLAN

TOTAL NUMBER OF FLATS 20

3 bed	1
2 "	5
1 "	14

Object of layout

1. Individual flats to have light all round.
2. At each floor, entrances to be grouped together: (ease of baby watching).
3. Difference in flat layouts (there will probably be much visiting between occupiers).
4. Single entrance.
5. Private balconies.

BLOCK OF FLATS

These four flats only on top floor. & to be designed with more studio-like character.
